## About us

Meet Cocorico Premium brand, recognized for its spectacular, all-natural, all-sustainable products, its dedication to quality and consistency, innovation and industry leadership, sharing the joy of healthy protein tastes, for every age, from kids to seniors, worldwide.

## How it all began

It started over four decades ago with a simple yet ambitious goal - to redefine what high-quality chicken means. We focused on raising chickens with care, ensuring the best nutrition, and perfecting every step of the process to deliver chicken meat that stands out in taste, texture, and purity. Meanwhile, we perfected the art of chicken production in all its forms (fresh, ready to cook and ready to eat), for retail, HoReCa and Premium & High End Out-Of-Home FOOD EXPERIENCE divisions.

## What sets us apart?

**Premium - Quality Chicken** – For superior taste, texture, and nutritional value.

**Expertise & Innovation** – Our team combines years of experience with continuous innovation to create products that meet modern consumers' expectations.

**Convenience Without Compromise** – From ready-to-cook to ready-to-eat, our specialties bring modern ease without forsaking excellence, crafted with 100% Cocorico chicken in every form.

**Sustainable & Ethical Practices** – Respect for nature and animal welfare lies at the heart of what we do, ensuring that every step is responsible and sustainable.

**Clean Label Commitment** – We believe in honest food, free from unnecessary additives, because great taste should come naturally.

## Quality through Sustainability

Driven by advanced technology and high standards – such as our “No Product Touch” system – our products have been consistently recognized at leading international events: London (World Food Innovation Awards), Milan (Better Future Awards), Amsterdam (New Product Expo), Paris (SIAL Innovation Awards), Bucharest (Brand of the Year). In 2023, we proudly received the International Diamond Prize for Excellence in Quality, awarded by the European Society for Quality Research in Lausanne, Switzerland.

We invest in **innovation and renewable energy**, while ensuring animal welfare, biosecurity, hygiene, and environmental care. Our **fully integrated system**, both vertically and horizontally, covers every stage: natural genetics, in-house feed, breeding farms, hatching and rearing, a fully automated state-of-the-art slaughterhouse, plus two factories for Ready-to-Cook and Ready-to-Eat products.

Our operations comply with the world’s most demanding certifications – **BRC, IFS, FSSC, BSCI, ISO, BRCGS-ETRS, and HALAL** – alongside proprietary control systems developed with SGS. This makes us a global benchmark for quality and integrity.

Probably the most certified chicken producer, we hold both system and product certifications in food safety, environment, and social responsibility, **accredited by TÜV Austria and SGS.**

# Awards

At Cocorico, we believe that true excellence comes from a perfect balance of innovation, versatility, and a commitment to health. Every product we create reflects our dedication to these values, earning recognition not just locally, but internationally. We are proud to share some of our most recent awards, celebrating our journey and the trust of those who believe in the Cocorico promise. Each award reflects our relentless pursuit of quality, creativity, and the well-being of our consumers.

**READY-TO-COOK**

## READY-TO-COOK

At Cocorico, we believe that great taste should never come at the expense of time or health. That's why our ready-to-cook chicken range is crafted with care to meet the evolving needs of modern families – delivering convenience, quality, and flavour in every bite.

Whether grilled, oven-baked, or pan-fried, our versatile chicken products are seasoned with a rich blend of spices, making them the perfect solution for a quick, wholesome meal. We empower our customers to choose their preferred cooking method while we take care of the rest – ensuring every product is delicious, nutritious, and easy to prepare.

But our commitment goes far beyond convenience. Cocorico is proud to pioneer innovation in meat quality, offering products that are:

- 100% clean label
- Made with pure chicken protein
- Free from gluten, nitrites, additives, preservatives, flavour enhancers, and artificial aromas.

We're redefining what ready-to-cook means – bringing together transparency, trust, and taste in every pack.

# Chicken Burgers

Cocorico's ready-to-cook chicken burgers are specially crafted for children of all ages, enjoyed by all. They offer a modern solution for families and individuals seeking the perfect balance of convenience, nutrition, and taste. More than just a quick meal, they reflect a growing shift toward healthier, more diverse, and ethically sourced food choices.

Crafted from 100% natural chicken meat, raised with care in Romania under high-welfare and sustainable farming standards, these burgers are a clean-label delight:

-  No starch
-  No monosodium glutamate

With fewer calories and a naturally lean profile, they're ideal for balanced diets – whether you're watching your intake or simply craving something delicious and nourishing.

Especially loved by children for their mild flavour and tender texture, these burgers are designed to please young palates – but they're far from being just a kids' meal. Adults appreciate them just as much for their quality, simplicity, and versatility.

Whether served in a bun, sliced into wraps, or paired with veggies, Cocorico chicken burgers make mealtime easier, healthier, and more joyful – for kids, parents, and everyone in between
